It's not often soldiers plead to be sent to the front but when it's as cushy a number as Cleo's who could blame them? The E-cupper from Birmingham is a big fan of our troops out in dirty dusty places in Central Asia. "I love our brave boys and wish that I could give them a bit of TLC. But they'll have to make do with my big boobs and know that I'm thinking of them wanking all over them!"

## Cumming a copper

**M**y boyfriend was taking sexy pics of me in this PVC uniform.

We were ready to get down to a good fuck when his friend Jools walked through the unlocked front door unannounced.

He stood there staring at me, amazed to see me on the sofa with my legs wide open.

Being an exhibitionist, I thought I'd lift up my skirt to give him a better view of what he obviously wanted to see. My boyfriend nodded in approval.

Jools wasted no time in kneeling down in front of me, going to work on my

pussy. He buried his face in between my legs and lapped at my clit with his warm, wet tongue.

I took his cock in my hand and began to wank it. My boyfriend stood up and I knelt down and took them both in my mouth, sucking

floor. He slipped his cock into my now dripping wet pussy as Jools climbed on from behind and took me up my tight arse.

As Jools pumped at my arse I knew it wouldn't be long before I reached a climax. Within seconds I

and licking every inch of hard cock I could.

My boyfriend took the lead. He made me get on my hands and knees, doggy-style, and raised my arse high in the air. My boyfriend began pounding in and out of my aching pussy. I slurped and sucked on Jools's cock while being fucked from behind by my boyfriend.

The lads changed places and as I licked my juice from my boyfriend's cock and balls, Jools shafted me from behind.

Next I said I wanted them both to fuck me at once – one in my arse and one in my pussy.

Both happily agreed and I straddled my boyfriend as he lay on the

was cumming, shaking and screaming in ecstasy.

The boys fucked my arse and pussy until they both shot their loads, filling me right up. I was in heaven.

## Getting a big hand

**W**e've been avid readers of your great mag for years now and Chloe has always dreamed of gracing your pages. Up until now we haven't had that much to tell you about but now we have...

When the weather was really hot earlier in the year we decided on some naughty fun out in the country. Chloe looked awesome in a short denim skirt, white lace-topped hold-ups and no bra.

She rubbed my cock all the way on the drive there, occasionally stopping to stroke her long painted fingernails across her silky gusset.

She was getting a nice wet patch and my cock was crying out for some action so we found a secluded spot with a picnic table and a bench.

Chloe wasted no time climbing up on the table, her skirt riding high so her gorgeous cunt and arse were in full view.

She pushed her knickers to one side and inserted two fingers inside her and promptly

over her cheeks Simon whipped out, tore off his condom and shot for England all over her sexy arse.

A few moments of stunned silence ensued as we were shocked by the ferocity and suddenness of what we had done.

Then Chloe's warm friendly smile broke the ice and we all laughed, cleaned ourselves up and exchanged mobile

numbers.

In all our years of marriage it was the dirtiest horniest thing we have ever done. We have seen Simon again since that night – with one of his friends. That certainly put a smile on Chloe's face!

In fact she has now started her new life as a sex siren and her grin is permanent. As is mine!

set on her way to her first of many orgasms to come.

Meanwhile I had dropped my trousers and was pulling on my blood-engorged cock. Chloe was now very close to her orgasm, making that familiar moaning and she gushed her love honey all over the picnic table.

Chloe was horny as fuck and she demanded that I give her my cock.

I stuffed my cock in her face but we were interrupted by someone clapping. I turned round in shock to see a man openly wanking.

Chloe tried to pull her skirt down but the guy called out, "Please don't stop on my account. You are amazing honey!"

I looked at Chloe and she looked at me – it has been a fantasy of ours to have another guy fuck her silly. And here

**Chloe,  
Co. Durham**

we had the chance to fulfil our dream!

I told the guy Simon (as we later found out) he was welcome to fuck my wife.

He was already prepared with a condom and lay back on the picnic table. Chloe squatted over him and rubbed his knob across her clit.

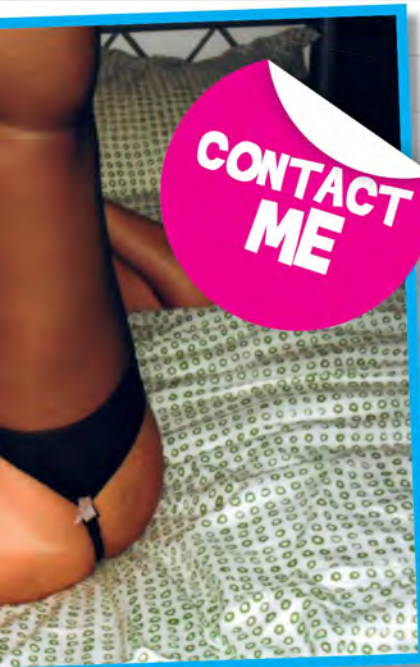

Then with a lunge she sunk his fat cock deep into her sopping fuck hole. She rode Simon as fast and frantically as she could.

I was so turned on that I jumped up, grabbed my wife's head and fucked her mouth.

Chloe was cumming like a train and I could see that Simon's cock and balls were soaking with her juices.

Simon and I both moaned that we were cumming so I pulled my dick from between her lips and shot all over my wife's face.

"I'm not a pornographer, I'm an entertainer." Whatever you say, sir. King of Soho, porn pioneer, mucky mag maestro and richest man in Britain, Paul Raymond, my old boss, made it to the very top of the top shelf. # REAL WIFE SEX

Eyes down for a full house of randy birds! Clickety-click, they'll suck on your stick!

Gail & Sharon,  
Glossop

I have discovered the ultimate place to go in order to pick up women of all ages who are always well up for a good shag. And the best thing about this free fuck-market is that you will have little or no competition from other blokes. Yep, you heard me. You can have a face like the rear end of a milk float and a body like a sack of turnips, but I can almost guarantee that you will get your end away or at least return home with a few ladies' phone numbers cluttering up your wallet.

Too good to be true? Well, I'll let you in on my secret, as there is really

enough for every red-blooded bloke and, to be honest, I'm so knackered boning these honeys, I could do with a bit of help satisfying the demands of so many crazed and wanton women.

Get dressed up, squirt yourself with

**"Fuck bingo, I want that prick!"**

half a can of Lynx and get on down the bingo!

No, I'm not joking. Just think about it. Hundreds of semi-pissed, dolled-up women of all ages desperate for a good time. No other blokes within a few hun-

dred yards and you just sitting there all helpless, waiting for some bit of totty to explain the rules!

You really can't lose, lads, and I've been scoring like Wayne Rooney against a pub team for weeks now. Take last Saturday for instance. I'd asked this big-boobed brunette if she could give me a hand with my card and she'd leant right over, those jumbo-sized knockers just inches from my face. Okay, her perfume was a bit cheap and overpowering but I was pretty certain I'd be squirting my cum all over those lovely big, round chest pillows before the night was out.

Soon, I was sitting in between my new friend, Sharon, and her mini-skirted mate, Gail. As the next game started, Sharon reached under the table, slid her hand up my thigh and groped between my legs. My dick sprang to attention and quickly filled her palm with pulsing meat. "Oooh, Gail. I think we're onto a winner here," she laughed. "Cop a feel of this..."

Gail squeezed my rock hard prick, kissed me on the cheek and

parted her legs as I slid my own hand up her thigh and nestled my fingers against the moist warmth of the lacy material stretched tight across her pussy. Women at other tables shrieked drunkenly to each other as my two companions skillfully manoeuvred past my flies and actually released my aching dick beneath the table.

"Oh dear," Sharon suddenly

still pushed up and the gusset of her black panties askew as my concentration returned to the tongue cheekily tickling the tip of my dick.

"Let's go to the car," Sharon said from under the table as she roughly stuffed my dick and balls back into my jeans. We vaguely made ourselves decent and stumbled through the packed auditorium to the car park in the rear.

Diving into the back of a battered hatchback, Sharon pulled me in on top of her and shoved her tongue down

my throat as she once again freed my prick, yanking back the foreskin as Gail adjusted the front seats and clambered into the back beside us. Yeah, it was a bit tight, but now was my chance to get my hands on Sharon's big tits and I dragged them one at a time from her bra before pressing them together in order to get both large nipples into my

shouted at Gail, "I've dropped my pen."

She dived off her chair and the next thing I knew her lipstick-caked lips were spread around my knob, and she was sucking my shaft deep into her mouth. I nearly came there and then, especially as I managed to get the tips of two fingers into her friend's soaking pussy at the same time.

"Fuck bingo, I want that prick," Gail muttered and stood up, her tiny mini-skirt

## Joy to the world

I've just had my annual party at our local naturists and swingers club.

As you can see from these pics we had a fucking good time before we went. My nipples were like champagne corks and my pussy hot and

coat to reveal his string vest and thong.

"Go on, release the beast," screamed a few of the women who knew him. But he took my coat off instead to show off my pierced nipples and chain.

We soon arranged to play with a black girl Joy with a fit young body in one of the playrooms. It was instant sex

swollen after playing with my toys.

There must have been fifty people there, loads of guys and a good few bi-babes – just the way I like it.

My fella took off his over-

between me and her – kissing, chewing of nipples and plenty of pussy licking.

She got a double-ended dildo out of my box of tricks. We were so wet we didn't need any baby oil. We sat

on the bed facing each other feeding the dildo into our greedy pussies.

Within minutes we were fucking grinding it into each other, good hard bi-sex with nine inches in each of us. We came half a dozen times each.

I'm a squirter when I cum and this surprised Joy but

next she wanted my strap-on to shaft her.

Ron had been enjoying the view but now he came up behind me and slid his cock up my cunt as I fucked Joy. She climaxed and licked her own juice off the strap-on.

Then she asked me to slip it up her tight arse. I oiled her gorgeous arse and

cheeks and began to fuck her. Ron rammed his cock up my arse and we daisy-chained for another ten minutes.

Joy was so dirty and horny for one so young! She licked the strap-on again and then licked and sucked Ron's hard member till his cock looked like it was going to burst.

Ron is fifty but super fit and a real stayer so I knew he would give Joy a good time.

Ron made her slow down and suck his cock. Then he got her on all fours and took her cunt from behind, his pierced bollocks slapping with such force against her that she cried for mercy.

I orgasmed just watching them.

Ron slipped on a new condom and eased his big cock into her arse.

You had to see this to believe it – a big powerful man the size of Ron fucking a little petite girl's tight arse.

He showed her no mercy as

he rammed into her again and again.

He pulled his cock out of her, still rigid and she licked it clean.

Then Ron got Joy and me to face each other and wanked his cock all over our faces from about three feet away. We licked his hot goo off each other's cheeks and chins.

Joy is our plaything now and we take her to swinging parties all over the North West.

# I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

**WENDY, CHESHIRE.**  
Check out the chest on Cheshire lass Wendy (28). "As you can see I had some fun playing with a naughty new toy," says the 36G girl.

Wendy has appeared most recently in vol 29 no 10, and we hope to see even more of her soon!

Dear Escort,  
I've appeared in your pages as a wife and more recently as a model. I've had lots of fan mail, enough to keep me sitting up at night reading it over and over again with my fingers in my pussy.

But I'm always on the lookout for good times with readers and when I see a letter I like I leap at the chance to meet a brand new cock. There's only one condition – to start with so I'll start you slow and you have to watch me get fucked by my husband!

So how do you impress me and get me to reply? Well, you've got to be up for this rule of mine. Some blokes are too greedy and impatient and want me all to themselves, but my husband has to be up for it as well.

When this guy said he was a biker, that ticked one box and when he invited me over for some fun in his hot tub, that ticked the rest of them.

# HOT TUB

# RUB & TUG

It's everyone's fantasy to have a fuck in a hot tub isn't it – that's the only reason people get them I think! And I love a biker – the rough and ready type really get me going.

Johnny was a big lad who told me he was into big tits

and I had the best he had seen for a long time.

My husband and Johnny had a good laugh about what a handful I was at home. "More like a truckload!" guffawed Johnny, as he got the hot tub started.

The three of us soon

slipped naked into the bubbling tub and I could tell Johnny was excited by my buxom body.

I put on a real show for both the guys, rubbing my boobs, sucking my nipples,

dripping water off my curves.

I shook my boobs in Johnny's grinning face as my husband parted my bum cheeks and began to tongue my pussy.

Up and down went one questing hot tongue over my arsehole and deep into my pussy, up and down went Johnny's tongue over my firm smooth tit-flesh.

"Stick it in me!" I gasped to my husband as Johnny started groping my tits, hefting their weight before dropping them into his face and resuming tonguing.

My husband was good and hard and I sat back on top of him, facing Johnny to give him a great show.

My tits were bouncing all over the shop as I pistoned harder and harder onto my husband's dick.

Johnny had got up out of the water and was wanking furiously as I started moaning, rubbing my clit and bashing my arse back onto the cock, the water supporting me wonderfully.

With a final thrust I was there, just as Johnny spunked all over the edge of the hot tub.

Wendy, Cheshire

# REAL WIFE SEX

*Jim's story continued from page 19*

deep in the sticky, wet softness before smearing the juice around the entrance and down in between the arse cheeks writhing beneath me.

Fuck, I wanted to cum so I pulled my cock from the hole where it was buried as Gail swivelled round and wedged

it in her mouth, sucking my meat, as I pushed Sharon down, making it obvious what I planned.

She pressed her tits into Gail's face as she continued to suck my aching knob, but as the sap rose through my balls, Sharon heaved my dick from her friend's mouth and plunged it into that awesome cleavage.

The spunk squirted from my cock, spraying breasts, faces, necks and searching tongues, jets of cum hungrily devoured by my newfound fuck chums. In the gloom, I watched Gail lick the dollops of jizz from her pal's boobs and

mouth at once. I sucked on them noisily as they swelled in my mouth, Gail wriggling into a position where she could push my knob between her lips and suck me off at the same time. Squeezing Sharon's fat knockers roughly as we snogged some more, I realised my dick was at the entrance to a cunt and, in the cramped darkness of the car, I actually

couldn't tell which of these dirty sluts I was about to fuck. I didn't care either way and thrust forward, embedding my shaft in a gorgeous warm, wet and tight hole.

I guessed I was screwing the slimmer Gail, as I began to bang away, my tongue still swirling around her mate's eager mouth. A hand cupped my balls and I pushed a couple of fingers into the pussy I wasn't humping, grinding them

then snog her mouth as they frantically fingered themselves to orgasm.

We cleaned ourselves up and by the time Gail drove us all back to my flat I was stiff as a board again, and ready to shaft the pair of them in the comfort of my bed.

They both knelt on the bed with their arses in the air and I used one hand on each, spreading and fondling both of their pussies, sticking my fingers right up their hot swollen passages until they were slick and sticky with cunt cream.

Then I smeared my cock with their juices and started to tease their slits with my purple head.

I couldn't decide which one to do first, so I took it in turns to shaft them. Thirty seconds in one, then thirty seconds in the other. In between times the girls frigged each other off and begged me to hurry up and come back to them.

In the end it was easier for them to get in a sixty-nine position and tongue

## I couldn't wait to join the melee

each other's holes. Gail was on top to start with and I fucked her pussy while Sharon's tongue slathered round my balls and the base of my cock. It was such a turn-on to look down and see the thick shaft of my dick going into a wet hairy pussy with a mouth clamped on my bollocks at the same time.

I couldn't wait to join in the melee on the bed so when I was busting to cum I pulled out of Gail's creamy pussy and jumped on the bed.

The girls fell on me like wild animals. We were snogging and I was grabbing tits, arses, feeling a girl under me and another on top of me. My mouth was pressed with tits, pussies and arse-holes and I gladly licked and sucked whatever was given to me, all the while my spunk rising inexorably in my solid cock.

I finished off on my back with Sharon grinding on to my spunking cock and Gail pushing her sweet wet pussy into my mouth. Both of them came, writhing and swivelling on my cock and my tongue as I spasmed my aching balls into Sharon's hot cunt.

We carried on all night until we were well and truly knackered. Like I say, fellas, I got a full house and the jack-pot that night!

## Wife in his hands

**M**y wife Jenny has often fantasised about fucking a friend of mine. Luckily she lets me know these things.

After a few glasses of wine one Saturday night we were getting a bit tipsy and the conversation turned to sex. She kept going on about Paul so I told her to invite him round.

She jumped at the chance and rang him up. He said he'd

be over in five minutes. We went upstairs and Jen put on her black suspender belt, black stockings and strappy shoes.

Then she put on a dressing gown and waited for Paul. I hid inside our wardrobe with the door just

open so I had a good view of the bed.

The doorbell rang and Jen went down to answer it. I had to wait in the wardrobe for a while listening to them talking and having some wine downstairs.

Then it went quiet for a while before I heard two lots of footsteps coming up the stairs. The bedroom door opened and Jen came into

view, her gown open and Paul rubbing her cunt.

She then pushed Paul onto the bed and stripped him off. She took her gown off and got on top of him for a 69. As she sucked his shiny wet cock she looked up at me and winked.

My heart was thumping and I was wanking like mad. She then told Paul to sit at the end of the bed with his feet on the

## Bench press

**O**n the way home from a night out with my husband we had the best outdoor sex ever.

We love having sex in the open air and a fantastic time after a night drinking in our local town helped my libido skyrocket. We decided to cut

through the park.

I was feeling really horny and my pussy was soaking from the dirty conversation and all the teasing Stuart had done in the pub. My juices were running out onto his fingers and he kept turning to thrust them inside me.

I sighed as he hit my spot, just the way I like it.

We came across a park bench and I pushed him down onto it. I pulled his cock out and sat astride him, forcing his cock into my soaking pussy.

He grabbed my tits and pulled roughly on my nipples, making me cum almost instantly. We hadn't noticed, however, that one of our neighbours Ian was also walking through the park.

Obviously interested in what we were

As Stuart thrust deep inside me I unzipped Ian's trousers and pulled out his cock. He grew hard on the spot as I ran my tongue up and down his shaft.

I took his thick cock deep into my mouth. Ian pulled my top over my breasts and began to play with my erect, pierced nipples. Stuart then turned

me so I was kneeling on the bench.

Ian dropped to his knees and began to lick my soaking pussy. My fingers moved down between my legs and

floor. She lowered herself on to his cock.

I could see her cunt lips spread wide to accommodate his large dick. Then she set about bouncing up and down on his cock for all she was worth.

This went on for a few minutes before Paul said he was going to cum. Jen got off and lay on the bed with her legs in the air, pulling her cunt wide open and telling Paul to spunk over it.

He started to pull on his big cock. Then with a grunt a huge fountain of sperm shot

out all over Jen's suspender belt and belly. The next spurt hit her full on the cunt.

She screamed with joy as the final few spurts spilled over her stockings. She looked a right tart all decorated with spunk like that.

She kissed Paul goodnight and showed him out. Then she came back with spunk running down her stockings.

She lay down on the bed again and I fucked the hell out of her before I spunked all over her tits. Paul still doesn't know a thing!

## Clunk-click, suck dick

I've always enjoyed dressing up for my boyfriend

Al – he's a real sucker for sexy undies. One Saturday I picked him up from the pub wearing my sexiest pair.

As I waited to pick him up I rubbed my cunt and, when that wasn't enough, slid my pussy on to the gear knob and rode myself till little orgasmic shocks ran up through my stomach.

I was so carried away I didn't notice Al roll out of the pub and catch me at it through the window. His jaw dropped as he continued to watch until finally I made myself cum.

I wound down the window and, nervously looking from side to side, he pressed his crotch up to the gap.

I pulled his flies down and thrust his cock into my mouth. I frantically sucked it and licked his balls before he

the time licking my cunt while I rubbed my clit.

Al kept thrusting his fingers deep into my arsehole and I knew I could wait no longer – I came once again, all over his face this time. Slowly he sucked my juices up.

Then he turned me over and bent me face down on the bonnet. He thrust his solid

## He fucked my bum over the bonnet

I began frigging my swollen clit. I came all over Ian's face.

He lapped at my juices with his tongue. Then he stood up and pushed his cock inside my wet cunt, thrusting it in as far as it would go and then withdrawing to the tip before thrusting again.

Stuart moved and stood in front of my face, thrusting his cock in my mouth. He held my head and began to fuck my face with his stiff cock.

I was being fucked hard at both ends and loving every second of it. Ian suddenly grabbed hold of my hips and thrust deep inside me as he came.

The feel of his hot cum inside my pussy was enough to drive me to another orgasm. As I came Stuart pulled his cock from my mouth and did his biz all over my face.

I looked a right state – properly fucked and cream-covered and had to scurry home to get cleaned up before anyone saw us!

finally stopped me to open the door and get in. I sucked him a bit more till he moved me over and we drove round the block as we were drawing a bit of a crowd.

Then he got me out in a car park and placed me on the bonnet. He buried his face in my cunt and, moistening his fingers, began probing my arsehole.

First he inserted one finger, then two, then all four, all of

cock up my arsehole. Over and over he thrust, his speed increasing.

The pace became frantic before he spunked all over my arse. I turned round and licked the remainder of his cum off his cock.

All of a sudden Al pulled me off the bonnet and tucked his cock away. A police car came round the corner just as we were leaving!
